

## A Word about our Mama's Pizza - Plano

First of all, we have no quarrel with who sell their products for less. They know what their stuff is worth. At Mamas Pizza of Plano, we honestly make our dough fresh every few hours. We hand-cut our vegetables daily, & use only fresh packed Tomato Sauce and whole milk Mozzarella cheese, freshly grated in our store.

In addition to our finest ingredients, we use special care in every pizza we make. Not only because we are locally owned & operated, but we also believe that real pizza was meant to be savored and enjoyed as a meal...

... not just a quick fix.
